- Fire Department
- City Transit
- Kobussen Transit
- Public Health
- Others

Preparedness and Response

Learn from each other as we prepare and respond

What Does EPCOT DO??

Respond to Emergencies/Crisis
Meetings at a variety of community Locations

Preparedness Topics Addressed

- CPR/AED/First Aid Training
- Communication-radios, interoperability, etc..
- Security Cameras
- School Emergency Response Plans for classrooms
- Emergency Response Checklists
- Building Vulnerability Assessments
- Transportation
- Building Security
- Training
- Tabletop and Full Scale Exercises
- Shelter in Place
- Knox Boxes

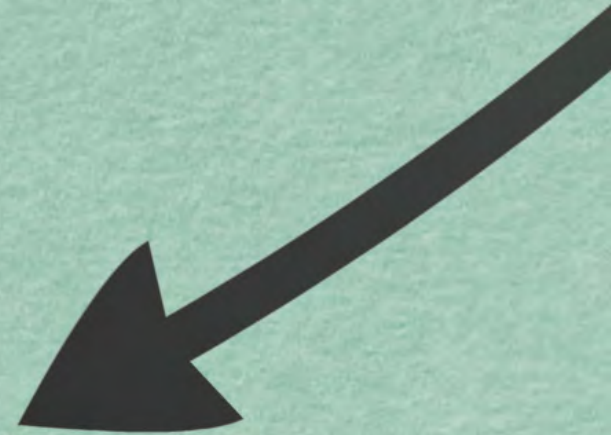

- **Prepare and Respond to Emergencies/Crisis**
- **Hold Monthly Meetings at a variety of community Locations**

Preparedness Topics Addressed

- CPR/AED/First Aid Training
- Communication-radios, interoperability, etc..
- Security Cameras
- School Emergency Response Plans for classrooms
- Emergency Response Checklists
- Building Vulnerability Assessments
- Transportation
- Building Security
- Training
- Tabletop and Full Scale Exercises
- Shelter in Place
- Knox Boxes

Response Activities Addressed

- **Established
uniformed multi-
agency public
response to crisis**
- **Bomb Threat
Procedures**
- **Boiler explosion**
- **Mercury Spill**
- **Cardiac Arrest**
- **Death of a student**
- **Death of a teacher**
- **Lockdown for
potential shooter**
- **Noro-virus outbreak**

**How was
EPCOT
formed?**

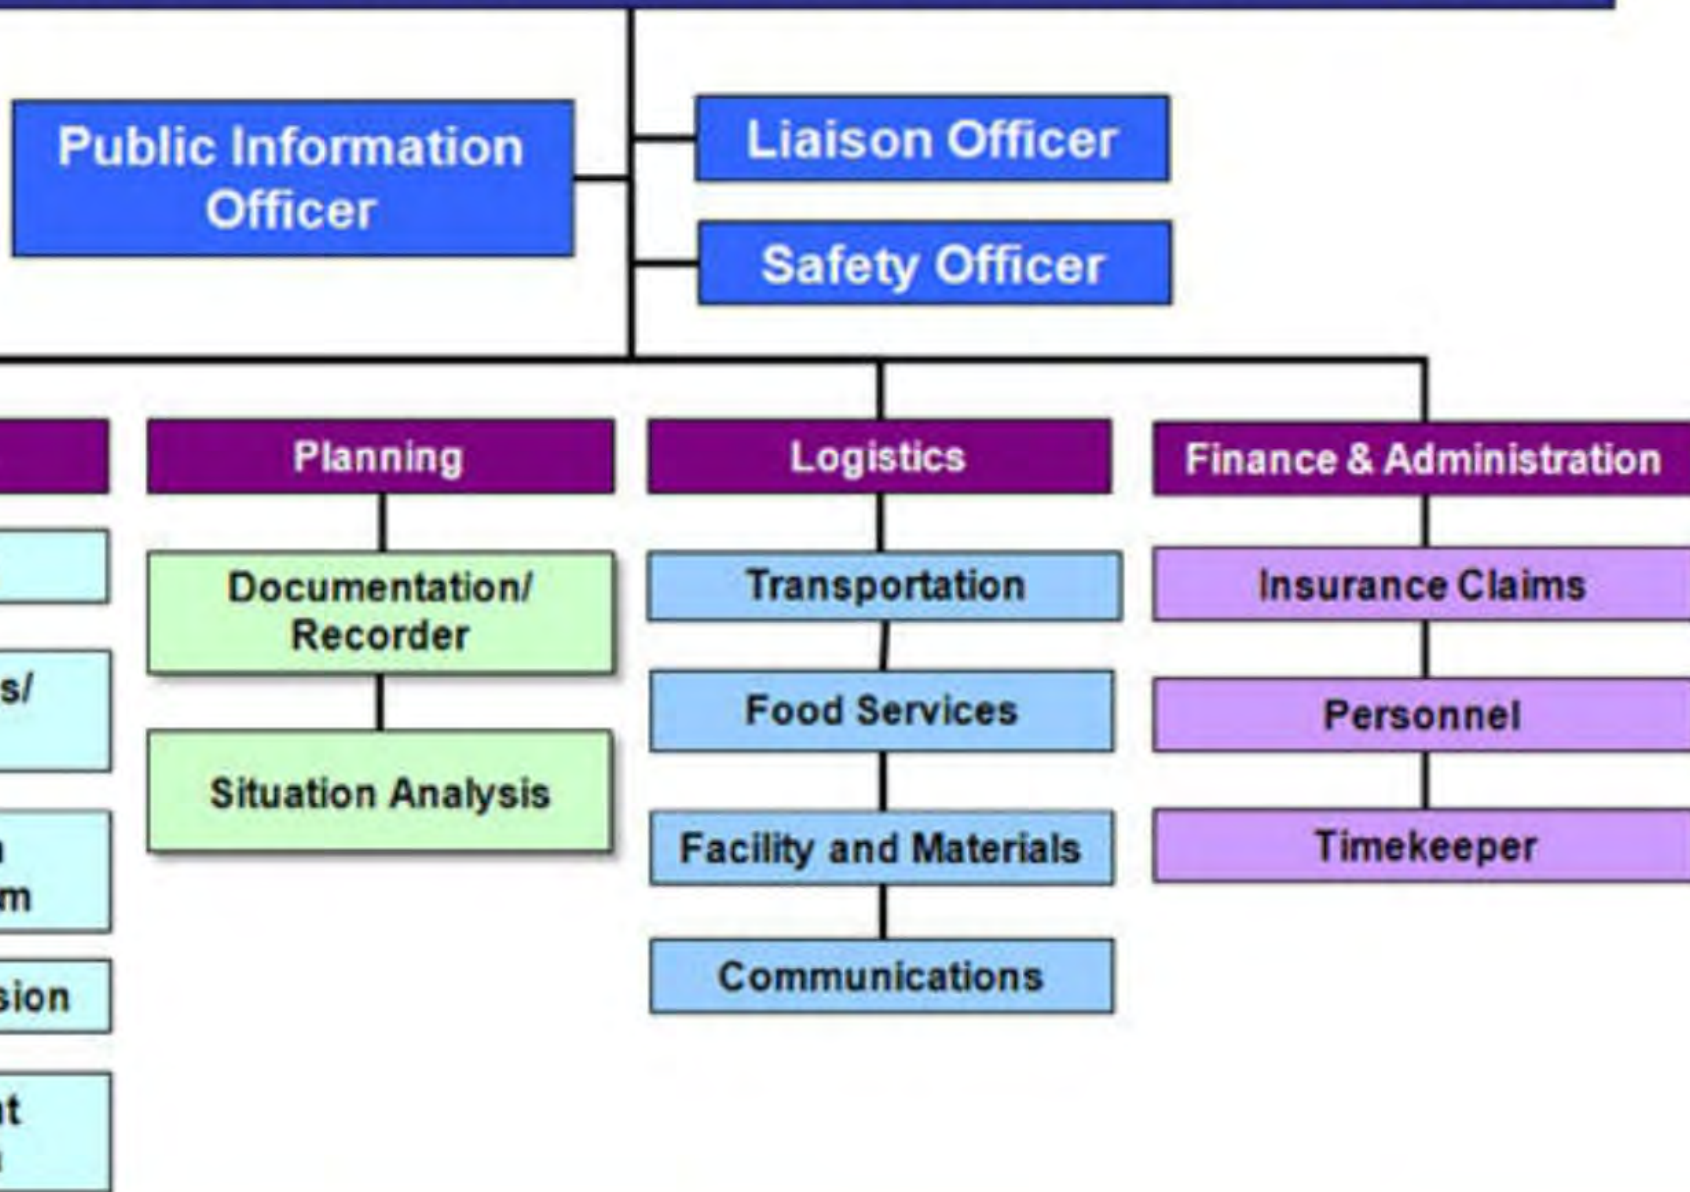

EPCOT began through a group from Oshkosh attending FEMA training in Emmitsburg, Maryland in 2004- Multi-Hazard training for schools.

- Oshkosh Team then trained in Incident Command Systems procedures
- EPCOT formed in 2004
- Team centered on relationship building and multi-agency cooperation and coordination
- Team created, training completed and projects identified
- District applied for and received an emergency preparedness or REMS grant for \$238,000
- Grant money utilized for the following targeted projects

<http://training.fema.gov/EMICourses/crsdetail.asp?cid=E361&ctype=R>

Incident Commander and Incident Command Team

<http://training.fema.gov/EMICourses/crsdetail.asp?cid=E361&ctype=R>

- Emergency response manuals
- Weather radios
- Shelter in place kits in all classrooms
- Security cameras study and purchase
- Portable radios
- Defibrillators for every school
- Portable lightning storm detectors
- Emergency identification vests
- Maps of buildings for first responders
- Vulnerability assessments
- Uniform identification badges for district
- Drills-training-fire, tornado, lockdown, evacuation, reverse evacuation
- Knox boxes

How to start your own emergency preparedness partnership

- All about relationship building
- Being awarded grant money is not critical, but partnerships can explore grant options
- Train together
- Value time and perspective from all agency members
- Work to create buy-in from top administrators in cooperating agencies
- Work to establish a budget

Resources/Accomplishments

- Emergency Response Checklists
- Emergency Response Plans
- Knox Boxes
- Communication
- Training
